

Competition Team Auditions 2022-2023

Registration for our competition team auditions will open April 15th. Register on your DSP account. All those that register will be sent the audition material on May 14th. These videos will include a jazz combo and across the floor combinations and a ballet combo. You will have a few days to learn and master the material before coming in for your audition on May 18th-20th.

Clinic Days/ Monday and Tuesday May 16th and 17th

Dancers are invited to attend a two-hour clinic to learn all the material in studio with some of our teachers. These clinics will be held Monday and Tuesday May 16th and 17th. Your assigned clinic time will be sent to you on Saturday May 14th when the videos are sent home.

Wed, Thursday, and Friday May 18th-20th

Dancers will come to the audition for 1 hour. Audition times for each student will be sent out May 16th! Dancers need to come to their audition dressed in dance attire with ballet shoes and turning shoes.

Please bring them looking their very best!

2022-2023 Studio Registration of \$35 must be paid to audition as well as the competition team uniform of \$70.

Dancers will be placed on the team that Move staff, and the outside judges feel is the best fit for them.

Competition Summer Classes

Once we place dancers on their competition team for the 2022-2023 school year, we will send out a summer schedule. Dancers will be required to attend all the summer classes with their teams. We think this will help our dancers improve quickly as well as build team unity all throughout the summer.
