

Competition Team Auditions 2023-2024

Registration for our competition team auditions will open March 15th. Register on your DSP account. All those that register will be sent the audition material on May 5th. These videos will include a jazz combo and across the floor combinations and a ballet combo. You will have a few days to learn and master the material before coming in for your audition on May 12th and 13th.

Clinic Days/ Friday May 5th

Dancers are invited to attend a two-hour clinic to learn all the material in the studio with some of our teachers. These clinics will be held Friday May 5th. Your assigned clinic time will be sent to you a few days prior to the clinic.

Friday and Saturday May 12th and 13th

Dancers will come to the audition for 1 hour. Audition times for each student will be sent out May 11th! Dancers need to come to their audition dressed in dance attire with ballet shoes and turning shoes.

Please bring them looking their very best!

2023-2024 Studio Registration of \$35 must be paid to audition as well as the competition team uniform of \$85.

Dancers will be placed on the team that Move staff, and the outside judges feel is the best fit for them.

Competition Summer Classes

Once we place dancers on their competition team for the 2023-2024 school year, we will send out a summer schedule. Dancers will be required to attend all the summer classes with their teams. We think this will help our dancers improve quickly as well as build team unity all throughout the summer.
